TROOP U. S. CAVALRY SENT TO ZEPATA

[By Associated Press] Washington, March 23.—General Bliss says a troop of United States cavalry has been sent from Fort McIntosh, Texas, to Zepata in expectation of a battle between Guadalupe and Constitutionalists from Matamoros near the border below Guerrero, Mexico.

ATTENTION, DIRECTORS.

A regular meeting of the Bryan Commercial Club will be held tomorrow (Tuesday) morning at 10 o'clock, and a large number is earnestly requested to be present.

GERMAN SUBJECT WAS BEHEADED

Murderer of Father, Children and Wife Paid the Death Penalty for Crimes.

[By Associated Press] Frankfurt on the Main, Germany, March 23.—Carl Hoppe, a druggist of this place, nicknamed the "Bluebeard of Germany," was beheaded today for murdering his father, his first wife and his two children. He was found guilty also of attempting to murder his second and third wives and several other persons.

MOTHER JONES DETAINED BY GUARDS

[By Associated Press] Walsenburg, Colo., March 23.—Mother Jones was taken from a train here today by militia guards and placed in the county hospital under military guard. This is to prevent her reaching the miners in the coal strike field.

Mother Jones Protests.

[By Associated Press] Walsenburg, Colo., March 23.—An officer who rode on the train with Mother Jones for some distance, ordered her to get off with him here. She said, "I protest against such treatment, but I am not surprised." The officer replied, "I am acting under orders." Mother Jones thereupon answered, "Well, I'll get off." She is held incommunicado.

BIG BATTLE EXPECTED AT TORREON

OBSERVATIONS MADE BY OFFICIALS INDICATE ELABORATE DEFENSES WITH MODERN METHODS CAN BE SEEN WITH FIELD GLASSES.

[By Associated Press] Bermejillo, Mexico, March 23.—Officers returning from the extreme front of the Constitutionalists' lines today reported that they made out elaborate Federal defenses about Torreon through field glasses. Trenches were laid out in most modern methods so troops might move from trench to trench without exposing themselves. Fresh earth was reported to mark the hiding places of some big guns. Barbed wire entanglements were visible. Troops continued to pour into Bermejillo today. Nearly all the supplies are here.

WOMEN PRISONERS OBJECTED TO FAVORS

Special Privileges Shown Madame Caillaux Cause for Dissatisfied Inmates of Prison.

[By Associated Press] Paris, France, March 23.—Mutiny was threatened at St. Lazare prison today among 800 women prisoners, who objected to privileges granted Madame Caillaux. Through their bars these women shrieked their protests.

CHARGES AGAINST MINERS PUSHED

Circuit Judge Denied Motion to Throw Out Indictment Against Miner Official and Others.

[By Associated Press] Houghton, Mich., March 23.—Circuit Judge O'Brien denied the motion to quash indictments against President Moyer and thirty-seven other officers of the Western Federation of Miners.

BODY OF BENTON STABBED

OFFICIAL REPORT OF BRITISH OFFICER SAYS HIS COUNTRYMAN'S BODY CONTAINED "NO PISTOL SHOTS," BUT BELIEVED TO HAVE BEEN STABBED.

[By Associated Press] Washington, March 23.—British Consul Perceval's official report of the killing of William S. Benton, received today, says: "No pistol shots were fired in the fight which caused his death." Inference is that he was stabbed.

[By Associated Press] Washington, March 23.—Consul Perceval's report does not definitely describe the manner of death except that not by shooting. It is accepted in connection with the information here that the Constitutionalist Commission, which is also investigating, has found that one of Villa's officers stabbed Benton and has recommended that this officer be tried. Consul Perceval said Benton was unarmed.

TO EMPLOY ARMY AND NAVY ON ROAD

Pennsylvania Representative Introduces Bill to Secure Services of Officers on Alaskan Road.

[By Associated Press] Washington, March 23.—Representative Bailey of Pennsylvania introduced a bill to employ the army and navy officers to construct the Alaska railroad.

COUNTRY CLUB MAY SELL LIQUOR

[By Associated Press] Austin, Tex., March 23.—Bona fide social clubs won a substantial victory today when District Court Judge Wilcox denied the State's application for an injunction to restrain the Austin Country Club from selling liquor to members or conducting a pool or billiard hall.

UNIVERSITY MAN AND WRITER SUICIDES

[By Associated Press] Stamford, Conn., March 23.—Harry Thurston Peck, writer and former Columbia professor, suicided today by shooting himself.

BIG BATTLESHIP LAUNCHED TODAY

[By Associated Press] Philadelphia, Pa., March 23.—The superdreadnaught Oklahoma was successfully launched today.

The concrete work of filling up the space between the sidewalks and the curbing on Main street, under W. H. O'Brien, is well under way, and the improvement in looks is easily apparent. Electrician Smith is laying the conduit for the street lights just ahead of the concrete men, so that it can be covered with concrete immediately and not stand so much chance of being knocked out of position as it would otherwise.

MOTION PICTURES IN CHURCH WORK

Spokane Editor Illustrates Life of Moses to Members and Others Who Are Interested.

Spokane, Wash., March 23.—Moving pictures are being used with great success in the First Methodist Episcopal Church of Spokane by the pastor, Dr. Francis Burgette Short. A five-reel film showing the life of Moses was shown recently, together with some of the scenic views of the Spokane country, supplemented by a lecture by Dr. Short. The innovation is exceedingly popular with members of the church as well as outsiders.

IMMEDIATE TROUBLE IN IRELAND AVERTED

Officials' Statement Relative to the Movement of Troops Soothes High Feeling Against Government.

[By Associated Press] London, England, March 23.—The worry over the Ulster situation is much less today. Prospects show no immediate trouble at least. This is on account of Premier Asquith's statement last night that troop movements were merely a precaution to protect government stores.

EXPERIMENTAL WORK FOR TEXAS FRUIT

U. S. Department of Agriculture Will Conduct Work at Troupe Experiment Station.

College Station, Tex., March 23.—Important experimental work in peach and plum breeding will be undertaken at the Troupe experiment station soon in all probability. W. P. Wright, botanist with the Bureau of Plant Industry, United States Department of Agriculture, in charge of fruit breeding, is here in conference with B. Youngblood, director of the Texas experiment stations. Mr. Youngblood said today that it is highly probable that the United States and the Texas government will co-operate in fruit work in this State. At present W. S. Hotchkiss, superintendent of the Troupe station, is in charge of horticultural work for the experiment stations in this State. Mr. Wright will remain here today in conference with Mr. Youngblood.
